

QuickBooks® Business Accounting Software 2007 & 2009-2010 for Mac® Account Conversion Instructions for Web Connect

As your financial institution completes its system conversion, you will need to modify your QuickBooks settings to ensure the smooth transition of your data. You will need to be able to log in to the Web sites of your financial institution. **This update may be time sensitive.**

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your online banking service may stop functioning properly. This conversion should take about 15 minutes.

Note: In the following screen shots, red icon numbers match step number instructions. All bank and register information is fictitious and for illustration only.

 Within this guide, this symbol displays to indicate any optional instructions.

A.

BACK UP YOUR CURRENT DATA

1. Choose **File** menu → **Back Up**. Then choose whether to save the backup to a disk or to your Mac.
2. Follow the on-screen instructions to complete the backup method you choose.

B.

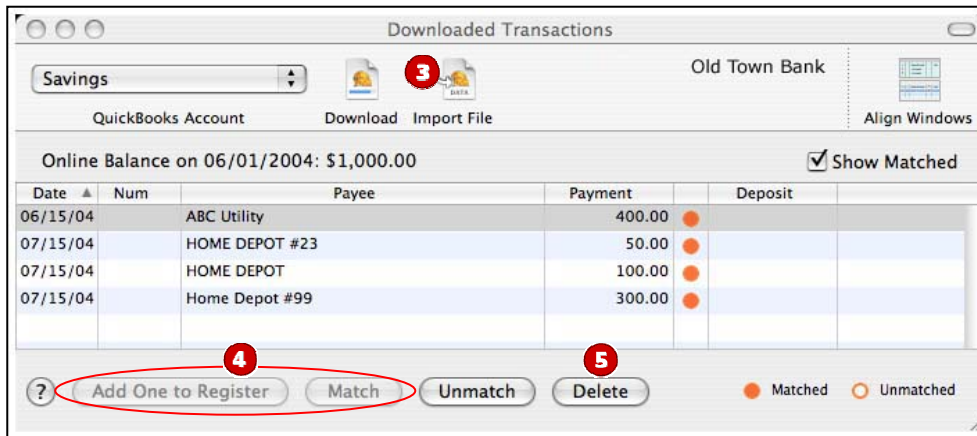

GET YOUR LATEST TRANSACTIONS

Download to
QuickBooks

1. Download your transactions one last time to bring your account register up to date. Log in to the Web site and download and save your Web Connect file (.QBO file extension) to your Mac.

Important: Specify your transaction download date range through today. You may not be able to download these transactions after today.

2. In QuickBooks, choose **Banking** menu → **Downloaded Transactions**.

3. In the **Downloaded Transactions** dialog, click **Import File** to import the account information contained in the Web Connect file that you saved. Select the Web Connect file, and click **Open**.
4. Add or match all downloaded transactions listed in the **Downloaded Transactions** dialog. You will not be able to proceed until all transactions are matched.
5. Once all downloaded transactions are matched and display a solid orange circle, click **Delete** to remove each item.

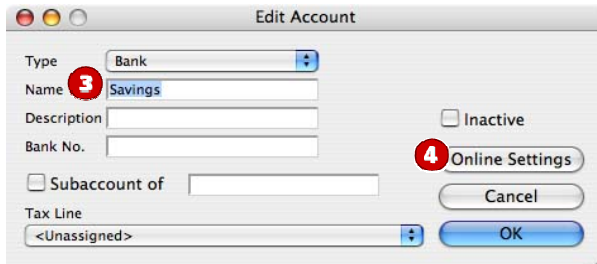

Repeat steps **1** through **5** for each account (such as checking, savings, and credit cards) that you plan to use for online banking.

-  For assistance reconciling your account register, choose **Help** menu → **QuickBooks Help**. In the **Ask a Question** prompt, enter **Reconciling an account**.

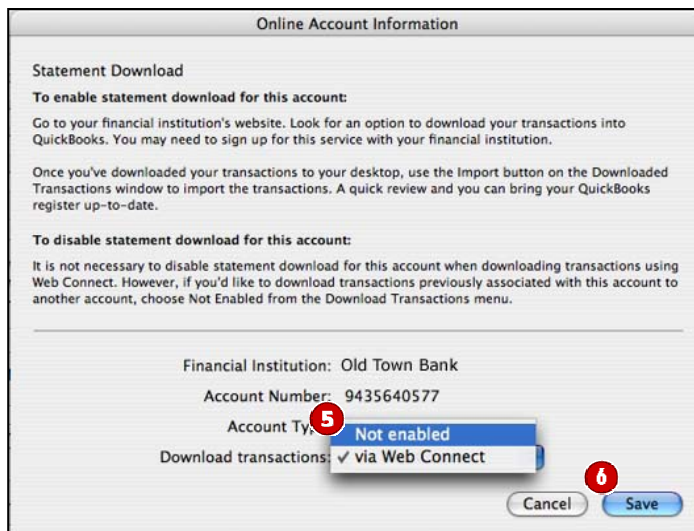

C.

DISABLE YOUR ACCOUNTS FROM WEB CONNECT

1. Choose **Lists** menu → **Chart of Accounts**.
2. Select the account to disable in the **Chart of Accounts** list, and choose **Edit** menu → **Edit Accounts**.

3. If necessary, edit the **Name** and **Routing Number** of the account in the **Edit Account** dialog.
4. Click the **Online Settings** button.

5. Select **Not enabled** from the **Download transactions** drop-down list.
6. Click **Save**.

Repeat steps 2 through 6 for each account from which you download transactions.

D.

RE-ENABLE YOUR ACCOUNTS FOR WEB CONNECT

IMPORTANT: Do not complete section **D** until after the conversion.

Download to
QuickBooks

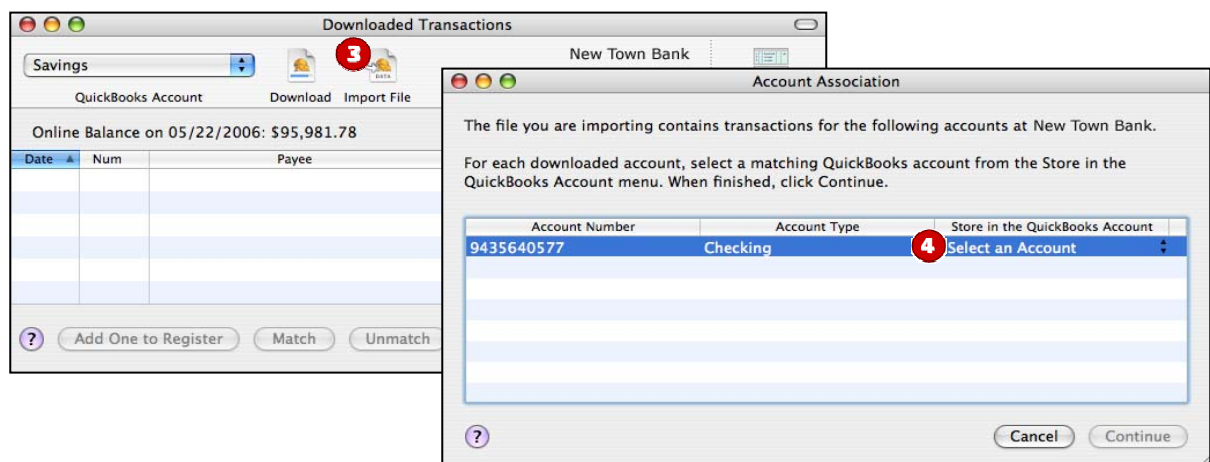

1. Re-enabling your account is as easy as downloading from the Web site. Anytime after the conversion, log in to the Web site and download and save your Web Connect file (.QBO file extension) to your Mac.

Important: To avoid the possibility of creating duplicate records when downloading into QuickBooks, select a “from” date that does not include records previously downloaded.

2. In QuickBooks, choose **Banking** menu → **Downloaded Transactions**.

Click **OK** if any informational prompts display.

3. In the **Downloaded Transactions** dialog, click **Import File** to import the account information contained in the Web Connect file that you saved. Select the Web Connect file, and click **Open**.

4. The **Account Association** dialog displays during setup only. Click **Select an Account** to choose to map the online account to an existing account register. Then click **Continue**.

5. Click **OK** to any informational prompts.

Repeat steps **1** through **5** for each account that you previously disabled.

6. Verify that all transactions downloaded successfully into your account registers.

THANK YOU FOR MAKING THESE IMPORTANT CHANGES!
