

Reducing Food Insecurity in Northern New Mexico

Del Norte Credit Union has been improving lives in Northern New Mexico.

In 2017, we sponsored the Food Depot's Mobile Food Pantry in El Rito and Abiquiu and helped over 880 people each month for six months.

In 2018, we added another stop. We will continue to the stops above but have also added a stop in Los Alamos, where we are helping over 200 more people.

Not only are we helping with the food, we are also sharing our GreenPath resources and information.

The Food Depot's Mobile Food Truck stops at 21 sites each month in Northern New Mexico, helping over 6,500 people.
